- Academics – on securing highest SGPA in the 7th semester.

EDUCATION

LAKSHMI NARAIN COLLEGE OF TECHONOLGY   - 2025

B.Tech Computer Science Engineering: 8.24 CGPA

ISHWAR PERM VIDHYA MANDIR   - 2021

Intermediate: 90%

ISHWAR PERM VIDHYA MANDIR   - 2019

Matricular: 86%

INTERNSHIP

PEPCUS SOFTWARE SERVICE PRIVATE LIMITED
Software developer
March/2025– Present

PROJECTS

PRODUCT MANAGEMENT WEBSITE
React, Spring Boot, Tailwind CSS
- Built using React and Tailwind CSS for a responsive and modern UI design.
- Developed with Spring Boot to handle API creation and server-side logic.
- Includes basic CRUD operations for products, along with user authentication and authorization.

TODO-LIST
HTML, CSS, Java, Hibernate, Maven
- Built a responsive UI with HTML and CSS for a design.
- Developed backend in Java using Hibernate for efficient database management and CRUD operations.
- Used Hibernate for ORM and simplified data persistence.
- Managed project dependencies and builds with Maven.

E-COMMERCE WEBSITE
Advance Java, HTML, CSS
- Developed an Online Store application using Java and JDBC for advanced database connectivity, allowing users to browse books, and manage accounts.
- Implemented user login, admin login, and all the CRUD operations required.
- Utilized MySQL to store and retrieve data, ensuring secure handling of user, book, and order information.
